LEARNING OUTCOMES (General)

1. The learner will identify and use basic drafting tools and techniques.
2. The learner will identify and draw simple plans.
3. The learner will identify and draw all phases of a residence.

Assessments:

Students must achieve no less than 80% or B for a final grade in the high school course to receive ACC.

ACC Concept:

Skills for selected courses required for graduation in programs at the colleges participating in this regional agreement are taught in our schools using the assessments developed collaboratively by secondary and post-secondary staff. High School credit is earned and college credits are earned if the student meets the college achievement.
