NORTHEAST METRO PERKINS IV CONSORTIUM COLLEGE CREDIT ARTICULATION AGREEMENT VALIDATION

The high school officials and college officials agree that students who successfully complete the secondary course(s) indicated in this agreement by earning a grade of A or B will have attained the necessary academic and technical level to receive Articulated College Credit for this course. In order to receive college credit awarded as transfer credit for the course(s) taken through Northeast Metro Career and Technical Center and/or Northeast Metro Perkins IV Consortium students must:

1. Enroll in courses at Century College within three years of completing the high school course(s).
2. Submit a high school transcript to Century College that shows graduation in good standing.
3. Present an Articulation Certificate of Credit to the Century College Transfer Student Services Office. Transfer credit will be awarded upon verification of enrollment at Century and provided that the above criteria have been met. A Century College transcript will be developed only for those students who enroll in and successfully complete a course at Century College.

This signed articulation agreement is valid for two academic years.

High school instructors and college faculty are required to review agreements every year.

Century College Articulation Agreement Addendum

Northeast Metro Perkins Consortium

This Addendum provides clarity for college and high school officials in the process of providing college credit through this Articulation Agreement. Articulation Agreements provide a strategy which creates an opportunity for students to obtain college credit while attending high school. The intent of this early credit approach is to create momentum for students and simplify the transfer of credits from high school to college CTE programs.

The high schools and college officials agree that students who successfully complete the secondary course(s) indicated in this agreement and also noted on the Mn. State System Articulation form [included with this document]; by earning a grade of A, B, or C will have attained the necessary academic and technical level to receive Articulated College Credit for this course.

To receive college credit awarded as transfer credit for the course(s) taken through the Northeast Metro Career and Technical Center and/or Northeast Metro Perkins IV Consortium students must:

1. Enroll in courses at Century College within three years of completing the high school course(s).
2. Submit a high school transcript to Century College that shows graduation in good standing.
3. Present an Articulation certificate of Credit to the Century College Transfer Student Services office Degree Audit Record System (DARS). Transfer credit will be awarded upon verification of enrollment at Century College and provided that the above criteria have been met. A Century College transcript will be developed only for those students who enroll in and successfully complete a course at Century College.

This Articulation Agreement is valid for two academic years. This agreement assumes that the course will not undergo significant content changes. The agreement is NOT TRANSFERABLE to other teachers/schools in a district.

By signing this document all high school instructors and college faculty agree to carry out the following activities:

- Use the career pathway lesson plans - provided to high school teachers.
- Display branding materials from Century College in the classroom.
- Display Career Tree wall graphics which outline career pathways for students.
- Participate in professional development meetings.
- Bring students on field trip(s) to Century College.
Use CTE Works website to register the class and enter student grade information.
- Collaborate to enable the ability for direct mail information to students.
- When applicable host, Century College faculty and participate in relevant Century visits.

This completed agreement documents faculty confidence that the high school course provides a minimum 80% match to the college course. Articulated college credit introduces the high school student to the rigor of a college course within their high school environment.
