

College High School Partnership (CHSP) Articulated College Credit Agreement

www.CTEcreditMn.com

Articulated College Credit Agreement:

Through Articulated College Credit (ACC), specific college curriculum learning outcomes and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more high school course. ACC is awarded if the student meets the college equivalency standards and later enrolls in Anoka Technical College listed below requiring the course in a specific program.

Agreement Name: **Automotive Technology - ASE Maintenance & Light Repair (Anoka Technical College)**

Agreement Reviewed/Revised: **2022 - 2023**

These credits are valid for students in grades 9-12 for 5 years from the completion of this course.

ATC Course #	Course Name	# of Credits	# of Partial Credits
AUTO 1010	General Automotive Service	2	1
