Articulated College Credit Agreement

www.CTEcreditMn.com

Articulated College Credit (ACC) Agreement

Through Articulated College Credit (ACC), specific college curriculum learning outcomes and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more high school course. ACC is awarded if the student meets the college equivalency standards and later enrolls in the college(s) listed below requiring the course in a specific program.

Agreement Name: Medium/Heavy Truck – Technology Fundamentals

Agreement Reviewed/Revised: 2023 - 2024

These credits are valid for students in grades 9-12 for 5 years from the completion of this course.

College	College Course	College Programs	Articulated College Credit
Hennepin Technical College	MHTT 1002 – Truck Technology Fundamentals	*Medium/ Heavy Truck Technology (A.A.S. – 94 cr.) *Medium/ Heavy Truck Maintenance Technician (Diploma – 43 cr.)	1 credit of 2 total credits

Course Description

This course is designed to give the student an understanding of various types of trucks and truck components. Personal and shop safety along with tool and hardware identification and fundamental repair skills will be addressed. This course will also cover the characteristics of hazardous waste and its safe handling, storage, and disposal.

Curriculum Learning Outcomes

80% of the curriculum learning outcomes will be covered in the high school course(s) by qualified CTE high school instructor(s).

To receive one (1) out of two (2) college credits, students will master 100% of the learning outcomes.

1. Demonstrate shop safety practices
2. Demonstrate the use of hand tools
3. Measure components using precision tools
4. Access service information
5. Identify vehicle components
