Articulated College Credit Agreement

www.CTEcreditMn.com

Articulated College Credit Agreement:

Skills for selected courses, required for graduation in the program at selected colleges, are taught in participating high schools using the course content goals and assessments developed collaboratively by high school and college staff. High school elective credit is earned; college credits are also earned if the student meets the college achievement standards and later enrolls in a college major requiring the course or courses.

Agreement Name: Studio Operations
Agreement Valid For Academic Years: 2023-24

These credits are valid for 5 years from the completion of this course.

College	College Course	College Program	Articulated College Credit
Hennepin Technical College	ARSP 1110 – Studio Operations	*Audio Production Specialist (A.A.S. – 65 cr.; Diploma – 60 cr.)	2 credits of 4 total credits

Course Description:

The lecture portion of this course covers the basic operational systems of the recording studio, setup and signal flow of consoles, patchbays and studio documentation. The lab covers practical application of the theories and concepts learned in the lecture.
