Articulated College Credit Agreement

Through Articulated College Credit (ACC), specific college curriculum learning outcomes and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more high school courses. ACC is awarded if the student meets the college equivalency standards and later enrolls in the college(s) listed below requiring the course in a specific program.

Agreement Name **CPR - BLS Instructor**

Agreement Reviewed/Updated **2024-25**

These credits are valid for students enrolling in a program 2 years beyond high school graduation.

Colleges	College Courses	College Programs	Articulated College Credit
Anoka Technical College	EMED 1076 – BLS for the Health Care Provider	Emergency Medical Services	1 credit of 1 total credit
Hennepin Technical College	EMSV 1140 – CPR Instructor	Emergency Medical Services	1 credit of 1 total credit

Course Description

In this course, the student will acquire the knowledge and skills necessary to fairly and accurately instruct and test students in Basic Life Support CPR procedures. Graduates will receive a successful completion certificate that can be given to a local Training Center (TC) to obtain their American Heart Association BLS Instructor certification.

Curriculum Learning Outcomes

100% of the curriculum learning outcomes will be covered in the high school course(s) by qualified CTE high school instructor(s).

The following outcomes will be addressed in the course:

- Demonstrate teaching techniques
- Identify learning styles needed
- Observe student's teaching methods

Reference Texts

- AHA Instructor Essentials Online
- AHA CPR Instructor Materials

Course Assessments

Students must achieve an **80% or higher** on all assessments.

1. American Heart Association First Aid and CPR assessments will be the primary source of assessments.
