Articulated College Credit Agreement:

Through Articulated College Credit (ACC), specific college curriculum learning outcomes and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more high school courses. ACC is awarded if the student meets the college equivalency standards and later enrolls in the college(s) listed below requiring the course in a specific program.

Agreement Name: **Concepts of Interactive Media**
Agreement Reviewed/Revised: **2024 - 2025**

These credits are valid for students in grades 9-12 for 5 years from the completion of this course.

Colleges	College Courses	College Programs	ACC
Hennepin Technical College	MMVP 1500 – Concepts of Interactive Media	*Animation & Motion Graphic Artist (A.A.S. – 60 cr.; Diploma – 51 cr.); *Interactive Designer (A.A.S.- 64 cr.; Diploma – 55 cr.); *Media Producer (Occ. Cert. - 25 cr.); *Video Production Specialist (A.A.S – 72 cr.; Diploma – 64 cr.)	3 credits of 3 total credits (64 cr. – lab/ lecture)

Course Description
This introductory course will provide the student with an overview of the world of interactive media. The student will be exposed to software and hardware currently being used in the industry and through lectures and projects will explore the role of the interactive designer in the production of different types of multimedia.

Revised, Fall, 2024
